EDUCATION

M.A. Biological Anthropology and Archaeology, Colorado State University, Fort Collins, 2002.
Thesis: *An Investigation of Ancient Maya Mortuary Practices at Barton Creek Cave, Belize.*

B.A. Anthropology, University of Western Ontario, London, Ontario, 1998, with distinction.

Specialized Training and Certificates

2007 The Cultural Side of NEPA: Addressing Cultural Resources in NEPA Analysis, May.

2007 Riverside County Cultural Sensitivity Training, March.

REGISTRATIONS

Registered Professional Archaeologist since 2003.

PROFESSIONAL EXPERIENCE

Applied EarthWorks, Inc.

3292 E Florida Avenue, Suite A, Hemet, California 92544 (951) 766-2000

Senior Archaeologist: Project Manager and Human Osteologist

1. *Project Manager.* Cultural Resources Feasibility Studies for San Diego County Water Authority's San Diego Pipeline 6 Project, San Diego County, California. Agency consultation, predictive modelling and GIS database management, Native American consultation, and project coordination. 4/08 to present.
2. *Principal Investigator.* Archaeological and Built Environment Studies of 5 acres in Cherry Valley, Riverside County, California. Supervision of field efforts and general project management. 4/08 to present.
3. *Principal Investigator.* Cultural Resources Monitoring for the Cantabria Apartments Project in Menifee, California (FF Development L.P.). Supervision of monitoring efforts and general project management. 3/08 to present.
4. *Principal Investigator.* Cultural Resources Studies of the Ayala Property in Temecula, Riverside County, California (Megaland Engineers). Supervision of field efforts and general project management. 3/08 to present.
5. *Principal Investigator.* Fatal Flaws Analyses for the Eastern Municipal Water District's Diamond Tanks Project in Hemet, Riverside County, California (Helix Environmental Planning). Supervision of field efforts and general project management. 3/08 to present.
6. *Principal Investigator.* Cultural Resources Studies of the Bongiovanni Property in Temecula, Riverside County, California (Megaland Engineers). Responsibilities include supervision of field efforts and general project management. 2/08 to present.

7. *Principal Investigator*. Cultural Resources Studies of 16.7 acres in San Jacinto, Riverside County, California (KZ Holdings). Supervision of field efforts and general project management. 2/08 to present.
8. *Principal Investigator*. Cultural Resources Studies of the Cantabria Apartments Project in Menifee, Riverside County, California (Rincon). Supervision of field efforts, agency coordination, and general project management. 2/08 to present.
9. *Principal Investigator*. Cultural Resources Studies for the Santa Ana River Trunk Sewer Project, Riverside, California (Helix Environmental Planning, Inc.). Agency consultation, budgeting and tracking, archival research, Native American consultation, supervision of field investigations, and report preparation. 8/07 to present.
10. *Principal Investigator*. Cultural Resources Studies for the San Bernardino Transmission Main Project, Riverside County, California (Helix Environmental Planning, Inc.). Agency consultation, budgeting and tracking, Native American consultation, and supervision of field investigations. 8/07 to present.
11. *Project Manager*. Cultural Resources Feasibility Studies for Metropolitan Water District's San Diego Pipeline 6 Project, Riverside County, California. Agency consultation, predictive modelling and GIS database management, Native American consultation, and project coordination. 8/07 to present.
12. *Principal Investigator*. Cultural Resources Studies for the City of Cathedral City's Date Palm Drive and Varner Road Wind Fence Project. Agency consultation, budgeting and tracking, Native American consultation, and supervision of field investigations. 5/07 to present.
13. *Principal Investigator*. Cultural Resources Studies for the Arroyo del Toro Project, Lake Elsinore, California (Helix Environmental Planning, Inc.). Agency consultation, budgeting and tracking, Historical Society and Native American consultation, supervision of field investigations, and report preparation. 1/07 to present.
14. *Principal Investigator*. On-Call Cultural Resources Investigations for the Coachella Valley Water District, Riverside and Imperial Counties, California. Agency consultation, budgeting and tracking, Native American consultation, supervision of field investigations, and report preparation. 11/05 to present.
15. *Analysis and Reporting for the Dobron Project*. La Quinta, California (KB Home). Analyses of cremated human remains and reconstructing mortuary patterns for the Dobron Site. 9/05 to present.
16. *Co-Project Manager*. Archaeological Studies for the State Route 79 Project, Riverside County, California (CH2MHill). Oversight of Phase I archaeological and built environment studies of five project alternatives; site identification and recordation; landowner access coordination; preparation of the Historic Property Survey Report/Archaeological Survey Report; preparation of the cultural resources sections of the Project's Environmental Impact Report/Statement. 1/05 to present.
17. *Project Manager*. Archaeological Studies for the San Diego Pipeline No. 6 Project, Riverside County, California (Metropolitan Water District of Southern California). Supervision of a Phase I archaeological survey of the San Diego 6 alignment, Phase II testing and evaluation of six sites, Phase III data recovery at CA-RIV-7121, and cultural resources monitoring; preparation of the Phase I and Phase II reports; Native American consultation; agency coordination; burial recovery; Project budgeting and tracking. 5/04 to present.

18. Project Manager. Cultural and Paleontological Monitoring for the 26th Street Extension Project, City of Vernon, California (LAN Engineering). General management, staffing, and coordination for the project. 1/07 to 4/08.
19. *Project Manager*. Cultural Resources Studies for the French Valley WalMart Project, Riverside County, California (HDR). Supervision of field efforts, developing an Extended Phase I Testing Plan, and general project management. 7/06 to 9/07.
20. Principal Investigator. Cultural Resources Studies of 20 acres in Thermal, Riverside County, California. Supervision of field efforts and general project management. 2/07 to 5/07.
21. *Osteologist*. Identification of human encountered during the I-10 Jefferson Project, Indio, California (California Department of Transportation). 3/07.
22. *Principal Investigator*. Phase I Cultural Resources Study for the Mount Palomar Winery Project, Temecula, California. Supervision of field efforts and general project management. 2/07 to 3/07.
23. *Principal Investigator*. Phase I Cultural Resources Study of 20 Acres in Thermal, Riverside County, California (MRR and Associates). Supervision of field efforts, Native American consultation and general project management. 2/07 to 3/07.
24. *Peer Reviewer*. Peer review of draft technical report entitled *The Historic Los Angeles Cemetery (CA-LAN-3553), Los Angeles Metro Gold Line Project, East Portal Area, Los Angeles*. Submitted to Jones and Stokes on behalf of the Metropolitan Transportation Authority. 12/06 to 1/07.
25. *Principal Investigator*. Phase I Cultural Resources Study of 20 Acres in Hesperia, California (Carl Eversole). Supervision of field efforts and general project management. 11/06 to 12/06.
26. *Principal Investigator*. Phase I Cultural Resources Study for the Maravilla Center Project, San Jacinto, California (Continental Communities). Supervision of field efforts, Native American consultation, and general project management. 11/06 to 12/06.
27. *Project Manager*. Phase I Cultural Resources Study for the Van Buren Estates Project, Thermal, California (Van Buren Estates, LLC). Supervision of field efforts and general project management. 4/06 to 7/06.
28. *Project Manager*: Archaeological and Architectural Evaluation of Fairview Estates, Hemet, California. Supervising the archaeological and architectural surveys and studies, budgeting and tracking. 4/06 to 5/06.
29. *Project Manager*: Cultural Resources Sensitivity Study and Phase I Cultural Resources Survey for the Temecula Creek Inn Project, Temecula, California. Efforts involved utilizing records search data and GIS to assess cultural resource sensitivity for the project. Supervision and general project management. 9/05 to 3/06.
30. *Principal Investigator*. Phase I Cultural Resources study for the Cahuilla Hills Project in Palm Desert (R&S Land Co.). Supervision of field efforts and general project management. 7/05 to 8/05.
31. *Principal Investigator*. Cultural Resources Monitoring for the Somerset Project, Riverside County, California (KB Home). Management of monitoring efforts during construction grading for a housing development north of Indio, agency consultation, budgeting and tracking. 2/05 to 4/05.
32. *Analysis and Reporting of Cemetery Investigations*. Alameda Corridor Project, Los Angeles County, California. Reviewed and analyzed all skeletal and archaeological data collected during excavations of three prehistoric burial sites discovered during archaeological investigations for the Alameda Corridor Project. 11/04 to 2/05.

33. *Project Manager.* Cultural Resources Monitoring for the Desert Trace Project, Riverside County, California. Managing monitoring efforts during construction grading for a housing development north of Indio. Other responsibilities include site recordation, agency consultation, budgeting and tracking. 10/04 to 2/05.
34. *Co-Project Manager.* Screening Analysis for the Department of Water Resources East Branch Extension, Phase II. Efforts involved utilizing GIS to assess cultural resource sensitivity for the project. Responsibilities included extensive historical and archaeological research, agency consultation, and reporting. 11/04 to 12/04.
35. *Project Manager.* Phase-I Cultural Resources study of Rancho Bella Vista, Riverside County, California. Supervision of a 160 acre survey of areas formally covered by the high stand of Lake Mathews; Preparation of Archaeological Survey Report; Agency Consultation; and Project Budgeting. 11/04 to 12/04.
36. *Project Manager.* Cultural Resources Monitoring for Casabella Tract 31007 and Brindisi Tract 31067, Riverside County, California. Supervision of monitoring efforts near Temecula. 7/04 to 8/04.
37. *Human Osteologist.* Identification and removal of human remains from Vandenberg Air Force Base, California. 5/04.

Applied EarthWorks, Inc.

515 East Ocean Avenue, Suite G, Lompoc, California 93436 (805) 737-4119

Staff Archaeologist: Field Supervisor, Crew Chief and Human Osteologist

1. *Field Supervisor.* Pedestrian survey and testing for a Military Family Housing Project, Vandenberg Air Force Base, California. 11/03–1/04.
2. *Crew Chief.* Archaeological investigations of 10 archaeological sites along Beach Boulevard, Vandenberg Air Force Base, California. 1/04–2/04.
3. *Crew Chief.* Data recovery excavations at CA-SBA-649, Vandenberg Air Force Base, California. 2003.
4. *Crew Chief.* Testing nine sites for SLC-4 to SLC-6 Waterline Replacement Project, Vandenberg Air Force Base, California. 2003.
5. *Field Supervisor.* Archaeological survey for a proposed wind farm, Vandenberg Air Force Base, California. 2003.
6. *Crew Chief.* Testing six archaeological sites for a radiocarbon database, Vandenberg Air Force Base, California. 2003.
7. *Crew Chief.* Data recovery excavations at CA-SBA-694 and -695, Vandenberg Air Force Base, California. 2003.
8. *Field Supervisor.* Archaeological survey for the Sempra Energy/SCG La Goleta Storage Field, Goleta, California. 2003
9. *Field Supervisor.* Archaeological survey for the Nuevo Energy Company Power Line, Santa Barbara County, California. 2003.
10. *Field Supervisor.* Additional data recovery at CA-SBA-530, Vandenberg Air Force Base, California.

11. *Field Supervisor*. Archaeological survey of the Sudden Ranch Wildfire Burn, Vandenberg Air Force Base, California. 2002–2003.
12. *Laboratory Technician*. Processed archaeological materials for several shell-midden sites on Vandenberg Air Force Base, 2002.
13. *Field Technician*. Cultural resource investigations at more than 15 locations throughout Vandenberg Air Force Base, California. 2001–2002.

Western Belize Regional Cave Project (WBRCP)**San Ignacio, Belize****Archaeological Field School Instructor, Supervisor, and Staff Osteologist**

Responsibilities include managing and coordinating archaeological research, leading reconnaissance teams in search of new sites, instructing students on archaeological field and laboratory methods, coordinating with landowners, hiring locals as guides and cooks, analyzing artifacts, and synthesizing project results. 1997–2003 (summers).

Colorado State University**Fort Collins, Colorado****Biological Anthropology Lab Instructor, Lab Supervisor, and Osteologist**

Lectured and instructed over 180 undergraduate students for an introductory course on Biological Anthropology. Consulted with students during office hours and supervised laboratory activities. Participated in the excavation and analysis of human skeletal remains from a historical cemetery site in Pueblo, Colorado. August 1999–May 2001.

Palmetto Research Institute**Columbia, South Carolina****Field Technician**

Assisted on a Phase III excavation of an archaic site in Tennessee. April–May 1999.

KCI Technologies, Inc.**Selinsgrove, Pennsylvania****Field and Lab Technician**

Conducted field and lab research of a multicomponent, Prehistoric Phase III excavation. February–April 1999.

John Milner and Associates, Inc.**Alexandria, Virginia****Field Technician**

Field Technician for several Phase I excavations of prehistoric sites. December 1998–February 1999.

Thunderbird Archaeology Association Inc.
Winchester, Virginia
Field Technician

Performed general field assistance for a number of Phase II excavations of prehistoric and historic sites. August–December 1998.

University of Western Ontario
London, Ontario, Canada
Laboratory Assistant

Identified and analyzed burials from a historic cemetery site in Northern Ontario. Conducted archival research on the cemetery and consulted with medical professionals on early autopsy techniques. February–May 1998.

Ministry of Citizenship, Culture and Recreation
London, Ontario, Canada
Field and Lab Technician

Worked on several archaeological projects throughout Southwestern Ontario and performed basic office and laboratory duties. July–October 1997.

PROFESSIONAL REPORTS AND PUBLICATIONS
(in alphabetical order by year)

Denniston, Elizabeth L., and **Vanessa Mirro**

2008 *Phase I Cultural Resources Assessment of Approximately 1 Mile for the Avenue 62 Sewer Transport and Collection Facilities Near Mecca, Riverside County, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to the Coachella Valley Water District, Coachella.

Denniston, Elizabeth L., and **Vanessa Mirro**

2008 *Phase I Cultural Resources Assessment of Approximately 4 Miles for the Mecca Sewer Force Main Project near the Community of Mecca, Unincorporated Riverside County, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to the Coachella Valley Water District, Coachella.

George, Joan, Peggy Beedle, and **Vanessa A. Mirro**

2008 *Cultural Resources Report for the Santa Ana Trunk Sewer Replacement Project, Riverside County, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to Helix Environmental Planning, Inc., Riverside.

Formica, Tracy, and **Vanessa Mirro**

- 2007 *Phase I Cultural Resources Investigation and Extended Phase I Testing for the French Valley Wal-Mart Supercenter Project, Unincorporated Riverside County, California.* Applied EarthWorks, Inc. Hemet, California. Submitted to HDR, San Diego.

Mirro, Vanessa

- 2007 *Phase I Cultural Resources Survey, Mount Palomar Winery Project, Temecula, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to Mount Palomar Winery, a subsidiary of Louidar, LLC, Temecula.

Mirro, Vanessa, and Tracy Formica

- 2007 *Historic Properties Survey Report for Date Palm Drive and Varner Road Wind Fence, Riverside County, Date Palm Drive and Varner Road, Cathedral City (Federal Project No. 6164(019)).* Applied EarthWorks, Inc., Hemet, California. Submitted to Caltrans District 8, San Bernardino.

Mirro, Vanessa, and Tracy Formica

- 2007 *Phase I Cultural Resources Investigation of 20 Acres in Thermal, Riverside County, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to MRR & Associates, Fallbrook.

Mirro, Vanessa

- 2006 *Cultural Resources Records and Literature Search Review for the Monroe Street Trunk Sewer Project, Riverside County, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to Coachella Valley Water District, Coachella.

Mirro, Vanessa

- 2006 *Phase I Archaeological Assessment for the Sand Barrier Fence Project in Imperial County, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to Coachella Valley Water District, Coachella.

Mirro, Vanessa

- 2006 *Phase I Archeological Assessment of the Hernandez Property and Updated Recommendations for the Proposed Well Site in Thermal, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to Coachella Valley Water District, Coachella.

Mirro, Vanessa

- 2006 *Phase I Cultural Resources Investigation of Van Buren Estates (TTM 34556), Riverside County, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to Thomas Lodato, Searsville Land Company, Menlo Park.

Mirro, Vanessa

- 2006 *Phase I Cultural Resources Survey of the Temecula Creek Inn Property, Temecula, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to Helix Environmental Planning, Inc., Riverside.

Mirro, Vanessa, and Peggy Beedle

- 2006 *Phase I Cultural Resources Survey, Fairview Estates, Hemet, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to Frank D. Gorman, GW Engineering, Hemet.

McDougall, Dennis, and **Vanessa Mirro**

- 2005 *Cultural Resources Survey of Tentative Tract 33802, La Quinta, California.* Applied EarthWorks, Inc., Hemet, California. Submitted to Blake Jumper, Indio.

McDougall, Dennis, and **Vanessa Mirro**

- 2005 *Cultural Resources Survey of Tentative Tract 33801, La Quinta, California*. Applied EarthWorks, Inc., Hemet, California. Submitted to Blake Jumper, Indio.

Mirro, Vanessa

- 2005 *Cultural Resources Records and Literature Review for the Temecula Creek Inn Project, Temecula, California*. Applied EarthWorks, Inc., Hemet, California. Submitted to Helix Environmental Planning, Inc., Riverside.

Mirro, Vanessa A., Dennis McDougall, Sherri Gust, and Carole Denardo

- 2005 *An Investigation of Human Skeletal Remains: Treatment of Historic Properties Discovered During the Alameda Corridor Project*. Volume 2. Applied EarthWorks, Inc., Hemet, California. Submitted to Alameda Corridor Transportation Authority.

Owen, Vanessa

- 2005 A Question of Sacrifice: Classic Maya Cave Mortuary Practices at Barton Creek Cave, Belize. In *Stone Houses and Earth Lords: Maya Religion in the Cave Context*, edited by James Brady and Keith Prufer. University Press of Colorado, Boulder.

- 2005 *Cultural Resources Construction Monitoring of the Desert Trace Project: A 160 Acre Parcel Located in Indio, California*. Applied EarthWorks, Inc., Hemet, California. Submitted to KB Home Coastal, Inc., Temecula, California.

Mirro, Vanessa A., and Susan K. Goldberg

- 2004 *Data Recovery Plan for Cultural Resource Investigations at CA-RIV-7121: San Diego Pipeline No. 6 Project, Metropolitan Water District of Southern California*. Applied EarthWorks, Inc., Hemet, California. Submitted to the Metropolitan Water District of Southern California, Los Angeles.

Mirro, Vanessa A., and Susan K. Goldberg

- 2004 *Phase I Cultural Resources Survey: San Diego Pipeline No. 6 Project, Metropolitan Water District of Southern California*. Applied EarthWorks, Inc., Hemet, California. Submitted to the Metropolitan Water District of Southern California, Los Angeles.

Mirro, Vanessa A., Susan K. Goldberg, and Dennis P. McDougall

- 2004 *Phase II Testing and Evaluation of CA-RIV-7121: San Diego Pipeline No. 6 Project, Metropolitan Water District of Southern California*. Applied EarthWorks, Inc., Hemet, California. Submitted to the Metropolitan Water District of Southern California, Los Angeles.

Mirro, Vanessa A., Susan K. Goldberg, and Dennis P. McDougall

- 2004 *Phase II Testing and Evaluation of Sites CA-RIV-4259H, -7120, -7122, -7123, -7470, and Old Anza Road (33-12518): San Diego Pipeline No. 6 Project, Metropolitan Water District of Southern California*. Applied EarthWorks, Inc., Hemet, California. Submitted to the Metropolitan Water District of Southern California, Los Angeles.

Mirro, Vanessa, and Sherri Gust

- 2004 *Archaeological and Paleontological Monitoring Report for the Grand Avenue Realignment Project, Los Angeles, California*. Cogstone Resource Management, Inc., Santa Ana, California. Submitted to Sapphos Environmental, Inc., Pasadena, California.

Mirro, Vanessa, and Sherri Gust

- 2004 *Archaeological Assessment Report and Mitigation Plan: Planning Area 6 of Quinta do Lago Winchester, California*. Cogstone Resource Management, Inc., Santa Ana, California. Submitted to Barratt American, Inc., Carlsbad, California.

Mirro, Vanessa A., and Michael J. Mirro

- 2004 *Screening Analysis for the Department of Water Resources East Branch Extension Phase II*. Applied EarthWorks, Inc., Hemet, California. Submitted to the P&D Consultants, Orange.

Morehart, Christopher, Jaime Awe, Michael Mirro, **Vanessa Owen**, and Christophe Helmke

- 2004 Ancient Textile Remains from Barton Creek Cave, Cayo District, Belize. *Mexicon* XXV (4).

Gerber, Joyce L., **Vanessa A. Owen**, and Dina M. Coleman

- 2003 Extended Phase I Cultural Resources Survey for the Sempra Energy/SCG La Goleta Storage Field Well Site Project, Goleta, California. Applied Earthworks, Inc., Lompoc, California. Submitted to Sempra Energy/SCG, Valencia, California.

Mirro, Vanessa A., and Clayton G. Lebow

- 2003 Archaeological Survey of the Sudden Wildfire Burn Area, South Vandenberg Air Force Base, Santa Barbara County, California. Applied Earthworks, Inc., Lompoc, California. Submitted to 30 CES/CEVPC, Vandenberg Air Force Base, California.

Owen, Vanessa A., and Clayton G. Lebow

- 2003 *Archaeological Survey for the Proposed Wind Farm, South Vandenberg Air Force Base, Santa Barbara County, California*. Applied Earthworks, Inc., Lompoc, California. Submitted to 30 CES/CEVPC, Vandenberg Air Force Base, California.

Owen, Vanessa A., and Clayton G. Lebow

- 2003 *Archaeological Survey for the Nuevo Energy Power Line, Santa Barbara, California*. Applied Earthworks, Inc., Lompoc, California. Submitted to Nuevo Energy Company, Orcutt, California.

Hodges, Charles M., and **Vanessa A. Owen**

- 2001 *Extended Phase 1 Cultural Resources Investigations near CA-SBA-50, University of California, Santa Barbara, California*. Applied Earthworks, Inc., Lompoc, California. Submitted to University of California Design and Construction Services, Santa Barbara, California.

Hodges, Charles, M., and **Vanessa A. Owen**

- 2001 *Extended Phase 1 Cultural Resource Investigations near CA-SBA-48, University of California, Santa Barbara, California*. Applied Earthworks, Inc., Lompoc, California. Submitted to University of California Design and Construction Services, Santa Barbara, California.

Mirro, Michael, and **Vanessa Owen**

- 2001 A Progress Report of the 2000 Field Season at the Barton Creek Cave Site. In *The Belize Valley Archaeological Reconnaissance Project Progress Report of the 2001 Field Season*, edited by Jaime Awe. Department of Archaeology, Belmopan, Belize.

Mirro, Michael, **Vanessa Owen**, and Caitlin O'Grady

- 2000 Preliminary Investigations of the Cultural Remains in Barton Creek Cave. In *Western Belize Regional Cave Project Progress Report of the 2000 Field Season*, edited by J. Awe. University of New Hampshire.
